The village hall is back in action and the first event has been announced. On July 3<sup>rd</sup>, local group Bare Wires will play classic rock and blues on the recreation field .at the village hall, starting at 7.30 p.m. The event will be held outdoors.

Tables and chairs will be provided and you can bring your own glasses, drinks and nibbles or a full scale picnic. You can also bring a gazebo and organisers will help you position it so that you do not block the view of the stage. Best of all, the event is free. Contact Rob on 07767 203628 for further information.

**Safari supper is back!**

**It may be cosy now, but will your home leak heat when it’s cold?**

Last winter some of TGPC’s residents took advantage of TGPC’s heat detector to find out where they were losing heat from their homes. While it’s hard to think that far ahead in mid-summer, you can book the detector at any time so planning ahead may help to get to grips with your draughts.
